Erratum OER/TER 2026-2027

1. MSc Marketing: incorrect references to selection

The OER/TER 2026-2027 contains two incorrect references to selection for the MSc Marketing. The MSc Marketing is not a selective programme. The following corrections apply.

1.1. Bachelor/Pre-Master TER - Article 9.6.1(j), p. 72
Incorrect text:
"MSc Marketing (after selection)"

Correction:
"MSc Marketing"

1.2. Master TER - Article 2.7, footnote, pp. 165–166
Incorrect text:
"as of 2023-24 the MSc Marketing is a selective programme. The selection criteria are listed on the UG website"

Correction:
The footnote should be deleted.

2. MSc Marketing - incorrect course code

The OER/TER 2026-2027 contains an incorrect course code for Digital Marketing Intelligence and AI. The following corrections apply.

2.1. Appendix 23.11 - MSc Marketing: substitution regulation, p. 294

Incorrect text:
"Digital Marketing Intelligence and AI (EBM079B05)"

Correction:
"Digital Marketing Intelligence and AI (EBM079C05)"

2.2. Appendix 23.12 - MSc Marketing: transition regulation, p. 294

Incorrect text:
"Digital Marketing Intelligence and AI (EBM079B05)"

Correction:
"Digital Marketing Intelligence and AI (EBM079C05)"

3. BSc Economics and Business Economics - incorrect courses in the Business Economics profile

The course overview for Year 2 of the Business Economics profile contains four incorrect courses. The following corrections apply.

3.1 Appendix 5.2: BSc Economics and Business Economics - second and third year, p. 89

Incorrect courses in the TER:

- Semester 1.2: Behavioural and Experimental Economics (EBB086A05)
- Semester 1.2: Public Finance (EBB061A05)
- Semester 2.1: International Trade Policy and Economic Integration (EBB125B05)

- Semester 2.2: Intermediate Mathematics (EBB933B05)

Correction:
- Semester 1.2: Management Accounting for BE (EBB846C05)
- Semester 1.2: Operations and Logistics Management (EBB068A05)
- Semester 2.1: Human Resource Management for BE (EBB065A05)
- Semester 2.2: Business Ethics, Sustainability and Law (EBB069B05)

4. Executive Master of Accountancy (EMA) - incorrect course code

The OER/TER 2026-2027 contains an incorrect course code for Afronding Accountancy Theoretisch Dilemma in the note below the programme table. The following correction applies.

4.1. Appendix 18 - Executive Master of Accountancy, p. 278

Incorrect text:
"EBE032A06"

Correction:
"EBE032B06"

5. BSc Teaching and Examination Regulations – incorrect reference to course replacement

Article 6.4(2) of the BSc Teaching and Examination Regulations 2026-2027 contains an incorrect reference to a course replacement in both the Dutch (p. 30) and English (p. 59) versions. The following correction applies.

5.1. BSc Teaching and Examination Regulations - Article 6.4(2), final bullet
Incorrect text (Dutch version):
"Marketing BDK (EBP027A05) dient als vervanging voor Marketing for BE (EBB163A05)"

Incorrect text (English version):
"Marketing BDK (EBP027A05) serves as a replacement for Marketing for BE (EBB163A05)"

Correction:
The final bullet point of Article 6.4(2) should be deleted in both the Dutch and English versions.

These corrections apply to the OER/TER 2026-2027. All other provisions remain unchanged.
